RE: Petition to Director for Melvin Yarboro Residence
Incident #10017

Dear Mr. Clark:

We are in receipt of your letter to Preston Howard regarding continued clean up at the referenced site. A petition to the Director must contain the information described in the attached memorandum. In addition, the contract must be executed within 120 days from the contract being signed. This does not appear to be documented in the contract which you submitted to us.

If the sale is not a bona fide sale for value of the property, and/or if the contract is not executed within 120 days from signing of the contract to purchase, and/or if the contract is not executed on or before December 31, 1996 then the site is not eligible to petition the Director to be considered for eligibility to the non-commercial trust fund.

If the site meets the conditions described above please resubmit your petition with the additional information described in the attached memo. If you have any questions you may contact Kelly C. Gage at (910) 373-3771.

Sincerely,

Sherri V. Knight
Groundwater Supervisor
